Introduction

This reference guide targets high wear items on all Massey Ferguson hay products. It is intended to help dealers identify OEM parts currently available from AGCO Parts. This guide contains fast-moving, high wear items only. Not included are thousands of additional parts also available from AGCO Parts for these machines. AGCO OEM parts are stocked in U.S. and Canadian parts distribution centers for fast, convenient availability.

All parts included in this reference guide are PDC-stocked unless otherwise noted. Promo parts must be ordered on the specified Promo in order to receive maximum discounts. All orders must be placed through an AGCO dealer.

While AGCO has made every effort to catalog this information correctly, the possibility for error exists. Please verify each listing with your parts book or service manual.
